General Description

The 48-meter (158ft) Rossinavi superyacht Aslec IV is a semi-displacement yacht distinguished by her expansive exterior spaces and striking distinctive bow design.

Built with a steel hull and lightweight alloy superstructure, Aslec IV is powered by two 1,300 hp engines, reaching a maximum speed of 17 knots.

Her exterior styling is by **Studio Spadolini**, while the interior design is the work of renowned French designer **Rémi Tessier**. Carbon-fiber accents, black chrome finishes, and gold-leaf details create a refined balance between modern elegance and understated luxury.
